Radha's Starlit Cosmic Voyage

In the hush of the night, when the stars are a gleam, Radha drifts on a comet, a silvery dream. Through galaxies swirling and moonbeams so bright, She'll dance with the planets and bid them goodnight.

Especially for Radha

To our darling Radha, with love from mom & dad!

Radha's Starry Onesie

Radha loved her midnight-blue onesie with golden starlight trim. It was soft and warm, and it made her feel like a little star. 'Time for bed, Radha,' said Mommy. Radha hugged her teddy and looked out the window. The stars twinkled hello.

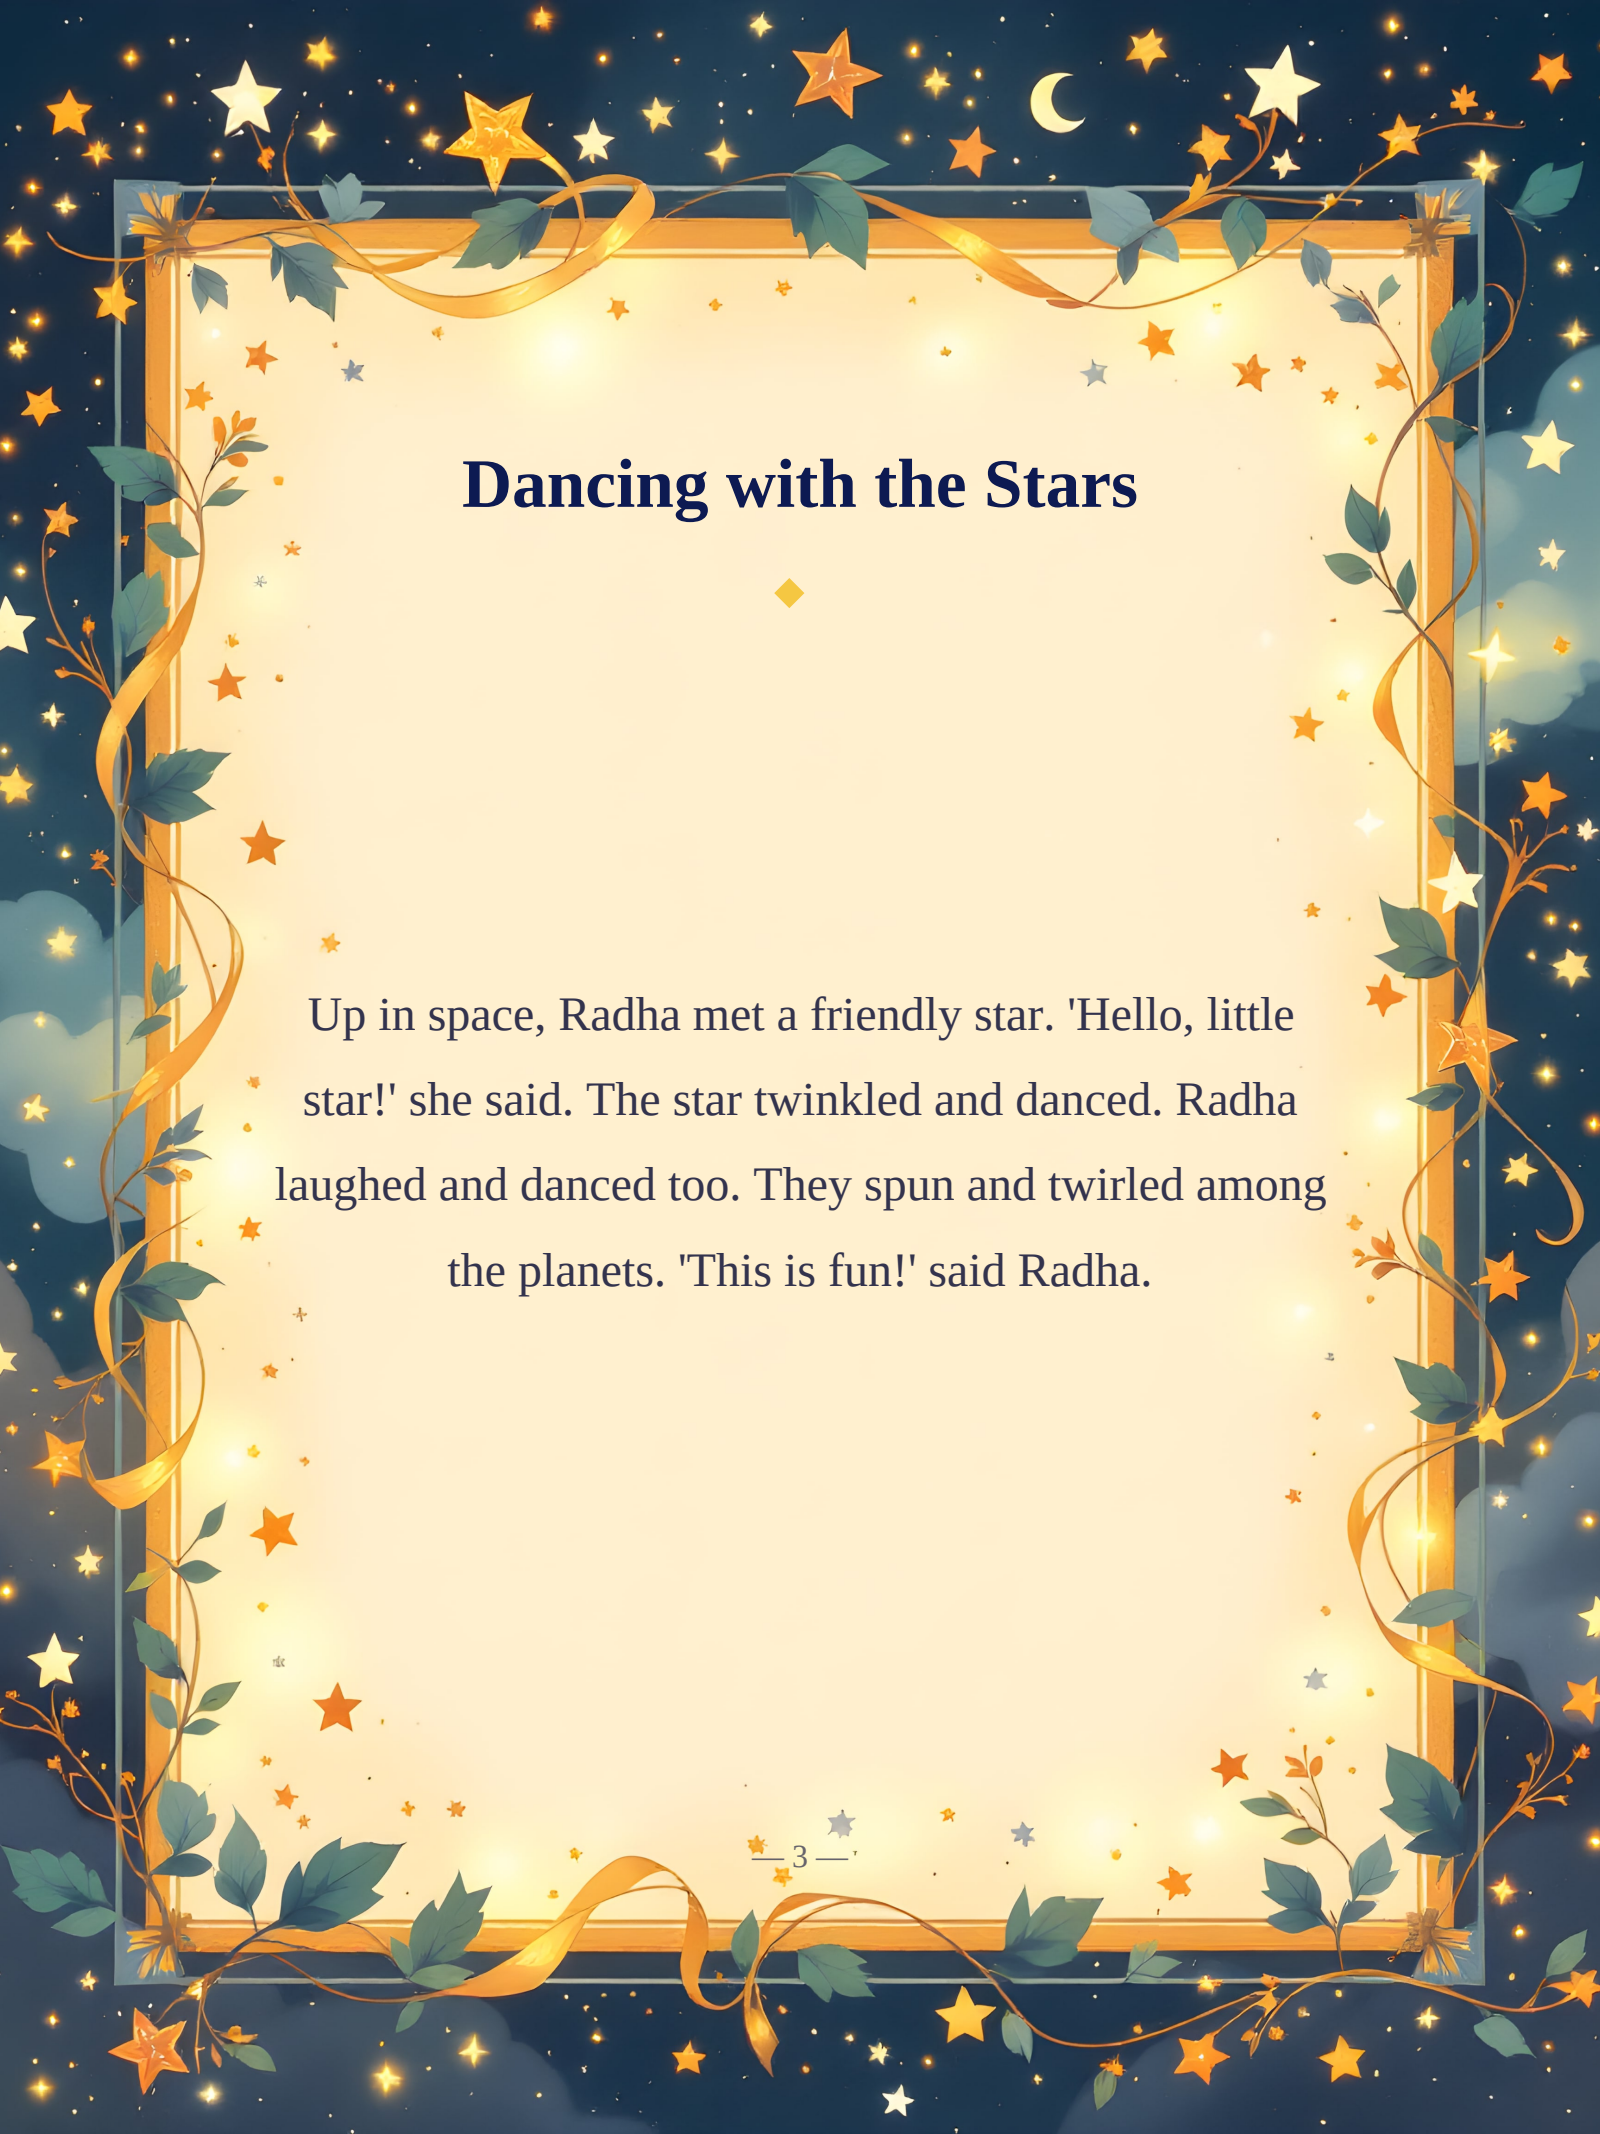

A Wish Upon a Star

Radha saw a shooting star! 'I wish I could fly to the stars,' she whispered. Suddenly, her onesie began to glow. The golden trim sparkled. 'Whoosh!' Radha floated up, up, up, out the window, into the sky.

Oliver Hudson

Dancing with the Stars

Up in space, Radha met a friendly star. 'Hello, little star!' she said. The star twinkled and danced. Radha laughed and danced too. They spun and twirled among the planets. 'This is fun!' said Radha.

Home in Bed

The star yawned. 'Time for sleep, little Radha.' Radha yawned too. The star carried her back home and tucked her into bed. 'Goodnight, star,' whispered Radha. She closed her eyes and dreamed of space. The end.
