Especially for Elizabeth

With all our love, always and forever — Mom & Dad

The Whispering Woods

Elizabeth put on her soft sage-green adventure vest over her cream cotton tee and khaki trousers. The forest ahead shimmered with tiny glowing lights. "Hello, Magical Forest," she whispered. A friendly firefly danced near her nose. "Follow me!" it seemed to say.

The Singing Stream

Elizabeth followed the firefly to a stream that sang a lullaby. The water sparkled like liquid stars. A little turtle poked its head out. "Would you like a ride?" he asked. Elizabeth climbed onto his shell and held on tight as they drifted slowly down the singing stream.

The Starflower Meadow

The turtle brought Elizabeth to a meadow where flowers bloomed in the dark. Each flower was a star that had fallen asleep. "Pick one," said the turtle. Elizabeth chose a little yellow one and tucked it in her vest pocket. The flower glowed softly, warming her heart.

Sweet Dreams, Elizabeth

Elizabeth yawned. The firefly kissed her cheek. The turtle sang a goodnight song. She hugged her starflower close. "Goodnight, Magical Forest," she whispered. Then she closed her eyes, and the forest wrapped her in a blanket of stars. Sweet dreams, Elizabeth.
