Especially for Liam

To our darling Liam, with love from mom & dad!

Liam and the Mysterious Ticket

Liam was playing in his backyard when a shiny golden ticket fluttered down from the sky. It sparkled with tiny stars and read: 'Admit One to the Moonlight Circus.'

Liam's eyes grew wide. He put on his festive berry-red tunic with gold trim and his playful suspenders. 'I'm ready for an adventure!' he whispered.

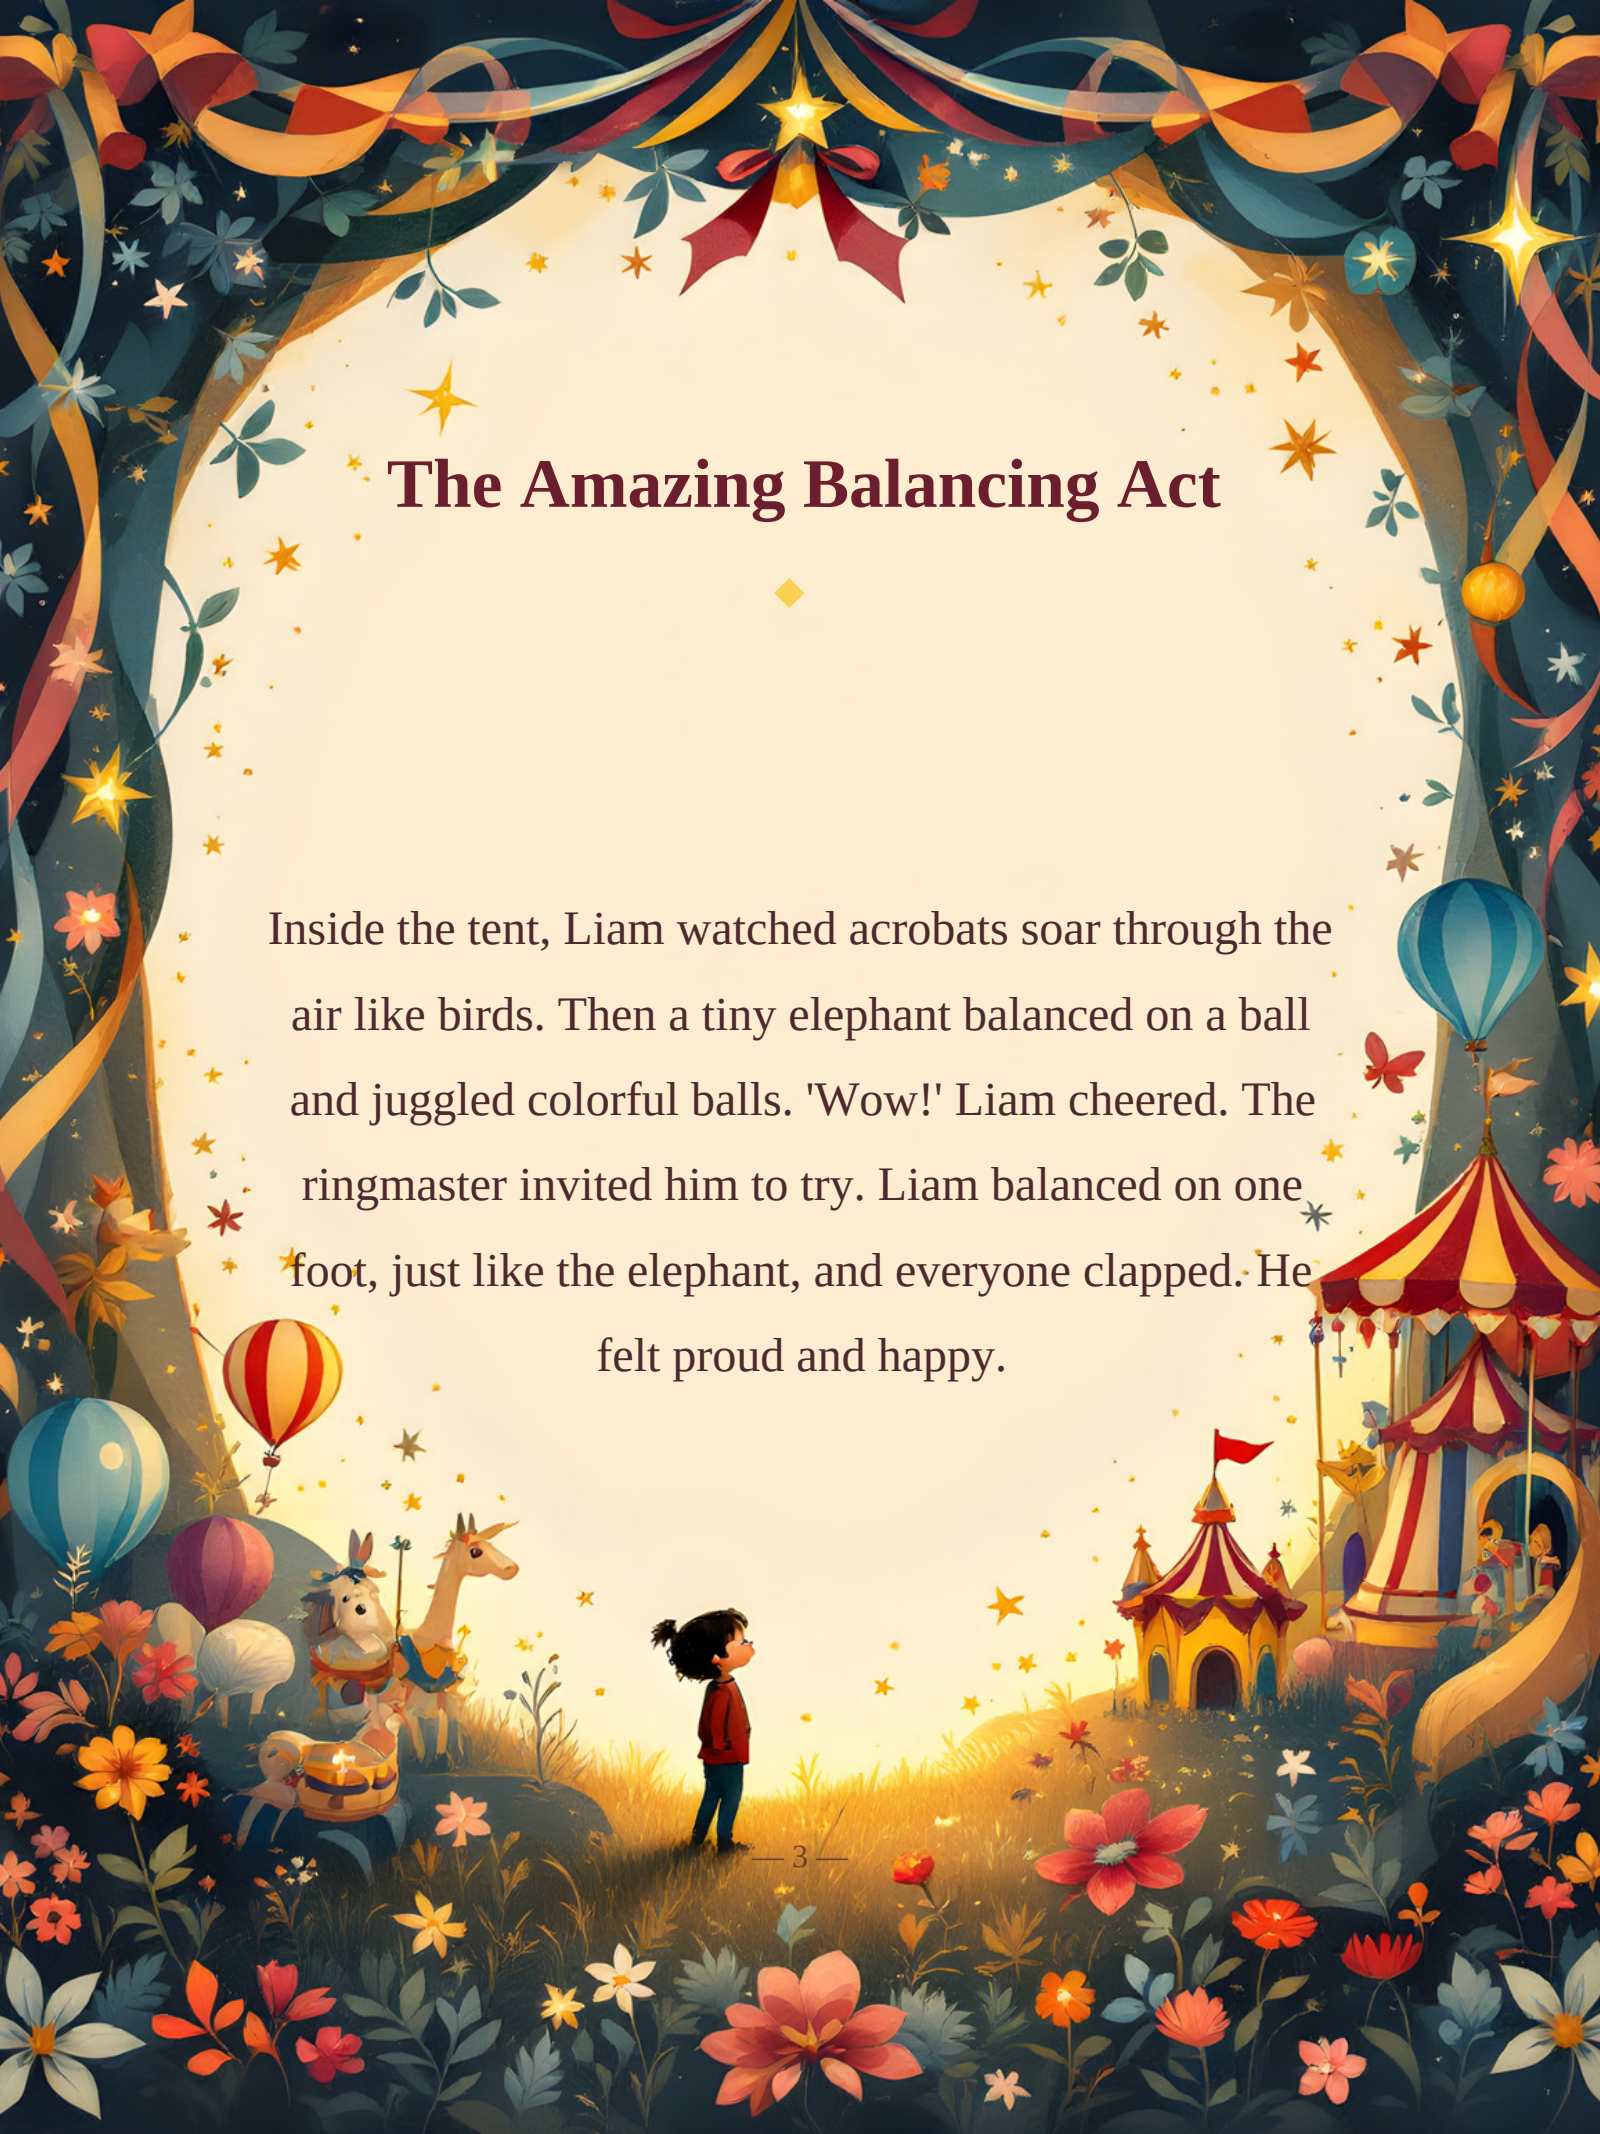

A whimsical illustration of a night scene. A young boy with dark hair, wearing a red shirt and blue pants, stands in a field of tall grass and colorful flowers, looking towards a large, striped circus tent. The tent is illuminated from within, and a slide is visible on its side. To the left, there are several hot air balloons in various colors (blue, red, yellow, purple) and a carousel with a unicorn and a donkey. The background is a dark night sky with many stars and a large, glowing yellow star. The entire scene is framed by a decorative border of colorful ribbons and flowers.

Welcome to the Moonlight Circus

Liam followed the sparkles to a clearing where a grand circus tent stood under the stars. The tent was striped in purple and gold, and it glowed softly. A friendly clown with a polka-dot bow tie greeted him. 'Welcome, Liam! The show is about to begin.' Liam clapped his hands and stepped inside.

The Amazing Balancing Act

Inside the tent, Liam watched acrobats soar through the air like birds. Then a tiny elephant balanced on a ball and juggled colorful balls. 'Wow!' Liam cheered. The ringmaster invited him to try. Liam balanced on one foot, just like the elephant, and everyone clapped. He felt proud and happy.

A Starry Goodnight

After the show, the ringmaster gave Liam a small star-shaped balloon. 'You were the star of our show,' he said. Liam yawned. It was time to go home. He floated gently back to his bedroom, where his mom tucked him in. 'Did you have a good dream?' she asked. Liam smiled, hugging his star balloon. 'The best,' he whispered, and drifted off to sleep.
